Ruth J. Silverstein, Allen Pomerantz Ph.D., Heywood Wald Ph.D. : E-Z Spanish (Barron's E-Z Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised E-Z Spanish (Barron's E-Z Series):

2 of 2 people found the following review helpful. Good, but assumes too much from the reader!By HappyslapperBook is really instructive and informative for a non-Spanish speaking person. However, I find it does assume you know more than you do about the language. I studied French, and speak it fluently. Had I not studied this romance language, I would be completely lost trying to learn from this book.I do like it, though because it drills the learner over and over again on the same concepts, and has "fun" aspects like crossword puzzles and pictures that you can write essays in Spanish on.12 of 12 people found the following review helpful. Inferior to the previous (black) editionBy Charlotte

CanicheThe previous edition was far superior to this feeble attempt to be "relevant" to today's generation of students. The readings have been shortened or replaced by selections that insult the intelligence of the reader. Some of the selections are of doubtful taste. Exercises include constructions that have not been presented, which causes much frustration to the student. I used the previous edition for four years without any negative feedback. We bought the new edition only because we could not buy enough copies of the old edition. Next course I shall replace the book entirely, as my students are requesting even now. Great to touch up long forgotten but previously studied Spanish skillsBy customerThis book helps me to gain back long forgotten medium Spanish skills. Perfect for someone who has previously learned the grammar and vocabulary to quickly remember it again. Would not recommend for an absolute beginner though.

Known for many years as Barrons Easy Way Series, the new editions of these popular self-teaching titles are now Barrons E-Z Series. Brand-new cover designs reflect all new page layouts, which feature extensive two-color treatment, a fresh, modern typeface, and more graphic material than ever charts, graphs, diagrams, instructive line illustrations, and where appropriate, amusing cartoons. Meanwhile, the quality of the books contents remains at least as high as ever. Barrons E-Z books are self-help manuals focused to improve students grades in a wide variety of academic and practical subjects. For most subjects, the level of difficulty ranges between high school and college-101 standards. Although primarily designed as self-teaching manuals, these books are also preferred by many teachers as classroom supplementsand for some courses, as main textbooks. E-Z books review their subjects in detail, and feature both short quizzes and longer tests with answers to help students gauge their learning progress. Subject heads and key phrases are set in a second color as an easy reference aid. Barrons heavily revised and updated E-Z Spanish presents a beginners introduction to speaking, understanding, and writing in Spanish, with emphasis on oral proficiency. All stories and exercises have been modernized.

From the Inside Flap(back cover) Spanish becomes easy when you approach it the E-Z way! Open this book for clear, concise, skill-building instruction in: Vocabulary Verbs in seven tenses Parts of speech Sentence structure Vocabulary and grammar rules demonstrated in charming stories Numbers, days of the week, and months Oral proficiency with help from book's pronunciation guide and much more Measure your progress as you learn Spanish: Take the practice exercises with answers in each chapter Check the book's answers to review your understanding of rules and concepts And discover that learning Spanish can be E-Z!
