Ben She : Encyclopedia of Great Inventions (Chinese Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Encyclopedia of Great Inventions (Chinese Edition):

Reading can bring you knowledge and fun while pictures can give you impression and enjoyment. The human history is a hitory of accumulated living experience, which has become a component of knowledge. Knowledge is not only of vital importance to our survival, but also plays a key role in exploring nature and ourselves.
