Emma Biggs : Encyclopedia Of Mosaic Techniques: A Step-by-step Visual Directory, With An Inspirational Gallery Of Finished Works (Encyclopedia of Art Techniques) before purchasing it in order to gage whether or not it would be worth my time, and all praised Encyclopedia Of Mosaic Techniques: A Step-by-step Visual Directory, With An Inspirational Gallery Of Finished Works (Encyclopedia of Art Techniques):

1 of 1 people found the following review helpful. A book you will refer to over and overBy SpiritcatI go back to this book time after time. Clearly explained and well illustrated. I have been creating mosaics for 7 years after being a painter for 40. I review the articles in this book for information and inspiration to get going on the next project. Loaded with information.1 of 1 people found the following review helpful. A staple!By KatThis book has been invaluable to me as I begin my mosaic practices. Simple, extensive instructions, helpful visuals, and essential technique overviews. A must-have no matter what your skill level! So much inspiration to be found here.0 of 0 people found the following review helpful. Great for mosaic ideas and general understanding.By John E. BensonGreat for

mosaic ideas and general understanding. I'm a novice. This was a font of knowledge.

A new edition to our Encyclopedia of Art Techniques series, **THE ENCYCLOPEDIA OF MOSAIC TECHNIQUES** shares the ancient methods for creating decorative artwork with mosaic tiles. This visual directory helps you transform your pottery, furniture, walls, and floors with fabulous creative mosaics. Learn foolproof techniques for getting colors to work together to create dynamic designs. It needn't be expensive: find out how to work with improvised mosaic tiles, such as pebbles, colored glass, and other found materials.

From Library Journal This is a handy guide to the materials and techniques of designing and laying mosaic tiles in both indoor and outdoor settings. Well illustrated with color photographs throughout, the "A to Z of Techniques" section has step-by-step instructions. Finished mosaics are pictured in the "Gallery" section. Workshop set-up and safety tips are included. A good basic reference for public libraries. Copyright 1999 Reed Business Information, Inc.
