**Julie Seabrook Ream : Encyclopedia of Rainbows Notes: 20 Different Notecards Envelopes** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Encyclopedia of Rainbows Notes: 20 Different Notecards Envelopes:

0 of 0 people found the following review helpful. She is an amazing talented woman By Linda SI've known Julie for many years. She is an amazing talented woman. I have bought 4 books in the past. My friends saw mine they will also order. I know what a challenge it was for her to complete this project. It is well put together. I highly recommend buying it. I never knew so many items could make into a rainbow of colors. 0 of 0 people found the following review helpful. Quality product By J. Mehochko Really neat set of notecards with fun, bright photos. Quality product. 0 of 0 people found the following review helpful. Beautifully curated, and I appreciate the matte paper of ... By Susanne Turpie Of all the sets that Chronicle Books releases in this format, this is probably one of my favorites. Beautifully curated, and I appreciate the matte paper of the cards (as opposed to some of the glossier ones in other sets). My niece

also loves this set.

This box of notecards contains a colorful collection of rainbows inside. Each card features a different photo of objects from succulents to macarons arranged into a rainbow, perfect for sending a little good cheer.

About the Author JULIE SEABROOK REAM is an artist who never could pick a favorite color. She lives in Columbus, Ohio.
