Michael Mercure : Encyclopedia of Revenge before purchasing it in order to gage whether or not it would be worth my time, and all praised Encyclopedia of Revenge:

0 of 0 people found the following review helpful. This book!By Tiffany HoveyThroughout my life, my mom has bought this book literally 13 times. Each time, one of her friends asked to borrow it. She'd let them use it, only in agreement that they weren't going to pull any pranks on her. Each time she gave it out, it never came back. Moral of the story: get this book, then guard it! It's too good to give back once you've borrowed it! Finally got my own!
