Encyclopedia of Science FictionBy Gregg A. MoserAn excellent book - provides an overview of science fiction books, movies, TV. Earlier year was cheaper than current year.4 of 4 people found the following review helpful. Finally, I found it...By DTFor years I looked for this book, but all I could remember about it was the cover was mostly orange and that it mentioned something about Isaac Asimov on it. Finally, I stumbled upon a forum post with a picture of this book, and I was able to order a copy here. It is a great book with a lot of fantastic illustrations. Anyone that likes older sci-fi needs to have a copy of this.
