Vincent Terrace : Encyclopedia of Television Shows, 1925 through 2010, 2d ed. before purchasing it in order to gauge whether or not it would be worth my time, and all praised Encyclopedia of Television Shows, 1925 through 2010, 2d ed.:

0 of 0 people found the following review helpful. Tells you all you need to know!!By Joe ComerAs comprehensive a reference set as you are likely to find. If purchased new, the three volumes come in shrink wrap. The books do exactly as they are advertised, giving facts about all the shows. Should be a welcome addition to any reference library.0 of 0 people found the following review helpful. Guides for TV Viewers.By John E. KingTV GuideThis set is a must-have reference to the re-runs on pay TV. It gives you an idea of what to expect from long-forgotten shows.

This fully updated and expanded edition covers over 10,200 programs, making it the most comprehensive documentation of television programs ever published. In addition to covering the standard network and cable

entertainment genres, the book also covers programs generally not covered elsewhere in print (or even online), including Internet series, aired and unaired pilot films, erotic series, gay and lesbian series, risqué cartoons and experimental programs from 1925 through 1945.

s of the first edition: "practically everything you ever wanted to know about television shows has been brought together in this set...a useful and entertaining work"--Booklist; "monumental...a treasure trove...recommended"--Choice; "Terrace is arguably the most prolific developer of television reference material...highly recommended for all libraries"--ARBA; "well-written and well-researched...indispensable and well worth the price"--Reference s; "it will be a while before anybody tops Vincent Terrace's latest volume on the TV industry...recommended"--SPERDVAC Radiogram; "the most complete such directory ever published...especially useful...a host of details"--Communication Booknotes Quarterly; "a most marvelous update...a rare gem worth possessing, and a fine addition to any library."--tvparty.com. s of the second edition: "new and updated entries add character background and storyline development information, and included are announcer-spoken openings"--Reference Research Book News; "there are aspects not covered in other books...an important addition"--Communication Booknotes Quarterly; "every library needs this title on its reference shelf"--ARBA. About the Author New Yorker Vincent Terrace has worked as a researcher for ABC television and is the television historian for BPOLIN Productions (an independent film and television producing company). He has written more than 30 books, many about television and radio.
