The Encyclopedia of the Cat explains the cat's characteristics and behavior, and encourages observation of many of these features in our own pets. It provides essential tips on choosing a cat and features a comprehensive chapter on pedigree cats describing every breed, including longhairs, shorthairs, foreign and oriental breeds. Each breed is highlighted with full-color photographs. With 250 photographs and illustrations, and a detailed glossary, the Encyclopedia of the Cat is essential reading for cat lovers everywhere.

About the AuthorAngela Sayer has been involved in the world of cats for many years, both as an author and a show judge. Howard Loxton is the author of several books about cats
