While a few important idiomatic expressions are not given, this book is very useful for Albanians learning English and for native speakers of English who want to express themselves in idiomatic Albanian. It is recommended for all those learning either English or Albanian above the beginners' level.

This dictionary contains 6000 commonly used English idioms with their corresponding Albanian translation. Nearly 15,000 examples from specialised dictionaries, explanatory dictionaries, fiction and phrasebooks are used to illustrate the phrases.
