Wang Xiaoying : English-Chinese Medical Dictionary (English and Chinese Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised English-Chinese Medical Dictionary (English and Chinese Edition):

This dictionary is the result of a national research project conducted at the Sun Yatsen Medical University in

Guangzhou, China. It contains 130,000 medical entries. This dictionary is compiled on the basis of the standardization of Chinese translation of English medical terminology, which includes both Western and Chinese medical terms. With standard English pronunciation, indicating sources in etymology, anatomy, medical subject headings, pharmacy, mental disorder, etc.
