Some of the words have weird translations but overall good book.0 of 0 people found the following review helpful. Just right!By CustomerMy grandson enjoyed looking at it on the airplane on the way to a visit in Amsterdam.1 of 1 people found the following review helpful. Buyer bewareBy CustomerIf you are buying this book for a child, like I did, be aware that the book is all black and white, not in color like the cover.

Welcome to this educational and entertaining collection of English Dutch Picture Dictionary. It's the right time to start teaching boys and girls a second language, and this book presents pages filled with cheerful pictures that help teach

Dutch and English words to children in early grades. It presents more than 600 illustrations of familiar objects. Every picture is labeled with its English word, followed by its Dutch equivalent. It's an ideal tool to spark a child's interest in learning Dutch or English.
