**Tom Hutchinson : English for Life: Pre-intermediate: Class Audio CDs** before purchasing it in order to gauge whether or not it would be worth my time, and all praised English for Life: Pre-intermediate: Class Audio CDs:

An easy-to-use course for adults who either want to learn English quickly for a specific purpose - such as travel - or who just prefer a much more straightforward approach to learning. Each page is one complete lesson, and each lesson has just one learning focus. Teacher support includes an interleaved Teacher's Book, plus extra materials and resources.
