John C. Rigdon : English / French Medical Dictionary (Words R Us Medical Dictionaries) (Volume 1) before purchasing it in order to gage whether or not it would be worth my time, and all praised English / French Medical Dictionary (Words R Us Medical Dictionaries) (Volume 1):

This dictionary contains English-French and French-English translations of over 12,000 medical terms. In addition, there is a medical questionnaire arranged by medical specialty for creating a complete history and physical using English and French phrases. The audience for this dictionary includes medical professionals working in Haiti and African countries where French is spoken, multilingual environments; global health professionals in tourist areas; professionals in public health, humanitarian medicine, emergency disaster management, rescue teams and frequent travelers disposed to any kind of danger or health risk and therefore in need of medical assistance while in a French speaking country. In emergency situations even small misunderstandings can lead to the loss of valuable time and consequently lives, therefore this dictionary is created in very practical time-saving and easy-to-understand way for both medical professionals and their patients. This book is intended to assist English speakers who are visiting countries where French is primarily used. It is not intended to be an exhaustive study of the French language, but serve as an introduction and overview. This 2nd Edition contains almost twice as many terms as the earlier edition. Almost twice as many pages. An all new Table of Contents makes finding things easier. Weve added over 1,000 commonly used acronyms and abbreviations with their alternate translations in Both French and English. Designations of the parts of speech are new.
