Would not recommend it.0 of 0 people found the following review helpful. Very good book with a good purposeBy ElizabethAlthough I do not speak Creole, I am an instructor in a college with a high percentage of Haitian students. This book was purchased for them, to assist them with learning the English words for the ones they know in Creole. Very good book with a good purpose.0 of 0 people found the following review helpful. I love this book!By Chynna LI love this book! It's very accurate and very helpful. I'm going to school for Medical Interpreter and I recommend this

book to anyone who's studying to be in the medical field or who's already in the medical field.

Thematic English-Haitian Creole medical terms with illustrations. Useful for health care workers, students and patients.

About the AuthorMaude Heurtelou is a Senior Public Health Nutritionist and Health Educator working for the State of Florida. She is the author of several publications in science, nutrition, and maternal and child care. She has received several awards for her contributions in the field of health care and preventive medicine.
