This book includes English definitions of medical terms and English-Portuguese and Portuguese-English translations of over 5000 medical terms. In addition, there is a 450 data point template for a complete history and physical using English and Portuguese phrases. Also included are words commonly used in scientific and medical publications. This reference would prove useful to anyone working in medicine, nursing, nutrition support, physical therapy, occupational therapy or social services. This book would be useful in any country where Portuguese is spoken, including Portugal, Brazil, Mozambique, Angola, Cape Verde, Guinea-Bissau, So Tom, and Prncipe.
