2 of 2 people found the following review helpful. Very Good Dictionary!By Reader from the MidwestThis dictionary was prepared with the assistance of the Chartered Association of Certified Accountants (UK). It was the first effort of this kind and appears to be quite successful. The dictionary itself contains 35,000 terms. It also has a 17-page section on the most usable in this field abbreviations. The editor is an experienced translator who works for the company specializing in translation services and training of financial professionals. The book is a softcover printed and bound in Finland.
