Leo James English : English-Tagalog Dictionary before purchasing it in order to gage whether or not it would be worth my time, and all praised English-Tagalog Dictionary:

0 of 0 people found the following review helpful. VERY GOODBy CustomerVery complete meaning every word you would ever need to know is In this dictionary! Even has sentences to assist you. Very bulky not something to carry around with you as an emergency dictionary but for your own studying at home etc. VERY GOOD BUY0 of 0 people found the following review helpful. Rare, Hard to Find, Work of ExcellenceBy Gilbert PetersenThe pros:For the English speaking person interested in learning the Tagalog language, or, for interpretation of Tagalog into English, this is the best Dictionary I have owned and I have had several. Comprehensive and exhaustive in scope, with more than 1,500 pages. The author, a Catholic priest who lived and worked among Tagalog speaking people for many years, not only lists each word, he gives numerous different forms of most of them, even giving examples of how the word is used in everyday speech. This book is a gold mine of information; a must have for the Tagalog student or interpreter.The cons:Rare and hard to find. Very expensive. The hardcover binding, although nicely done, falls apart with repeated use.0 of 0 people found the following review helpful. Four StarsBy Jul Raymond AbuanPerfect it helps me alot...thanks

The English-Tagalog Dictionary by P. English is the most adequate, most subtle, and the fullest English-Tagalog

dictionary that was published. - Jose Villa Panganiban
