Basic learning tool for FrenchBy ZenniI used this book during my fall semester learning French. It's definitely a short book and easy to understand and learn. It's the basic guide to learning and it gives a lot of good examples to follow.

The seamless articulation of vocabulary, grammar, activities and cultural content is what makes ENTRE AMIS so effective in the classroom! ENTRE AMIS is a performance-oriented program designed to expand students' interpersonal, interpretive, and presentational communicative skills by presenting and rehearsing situations similar to those they will encounter in real life. Based on a progressive approach, ENTRE AMIS features thorough coverage of

all four-language skills with a strong emphasis on oral communication. The language presented and practiced is always embedded in a French cultural context. The Sixth Edition of ENTRE AMIS has been thoroughly updated and now incorporates the latest technology offerings, including the iLrn Heinle Learning Center.
