The order of the activities doesn't make a lot of sense, but I've used many of the sheets to supplement my lessons.

Do you teach ESL to kids or do you teach native English speaking kindergartners? If so, then this book is going to make your life a little bit easier. The activities and worksheets in the book are great as filler material or as main lesson activities. So whether you are looking to fill up an entire class lesson plan or just need a warm up, this book has you covered. It covers these commonly taught topics: Shapes, numbers, family time, months, days, weather, prepositions,

money, and animals. The pages are made to be copied/printed and have no branding or page numbers, so it looks like you made it.

From the Back Cover
Need some activities for the children in your ESL class or kindergarten class? This book has worksheets, mini books, and other activities that will keep your students engaged and having fun while they are learning. There are activities for shapes, numbers, time, months, days, weather, prepositions, family, money, and animals. Plus there are flash cards in the back of the book to help practice vocabulary. This book is suitable for children in elementary school aged 6 to 10 who are learning English at a beginner to intermediate level, but it's also great for native English speaking children who are in kindergarten. Plus, all of the pages in the book are copier friendly and designed to be reproduced and used as handouts.
