The second time it was also used but in excellent condition. Both times the content was excellent and really still in great condition. 3 of 3 people found the following review helpful. Español By michieeLoGood. Gives a good review for native spanish speakers who need to brush up on their english. Este libro es increíble. Contiene muchos ejercicios para practicar y mejorar el nivel de escritura y lectura en hispanohablantes. Excelente. Definitivamente recomendo este libro para aquellos que su lengua natal es el Español, o

tambien si nada mas quieren recordarse de las reglas fundamentales del idioma. :))))))))))0 of 0 people found the following review helpful. Good conditionBy John GaltI rented it, needed it for class good condition no complaints

This highly regarded program takes reasonably fluent native speakers of Spanish and turns them into competent native readers and writers of Spanish. Using a flexible format that enables instructors to select the material that best corresponds to the needs of their particular class, *Español escrito* features 20 chapters, ranging from elementary to advanced, which offer something for students of all levels. Rich in language-development activities supported by carefully selected readings and specially crafted developmental exercises, it offers full developmental sequences in reading, orthography, writing, and grammar. Can be used over two semesters/three terms for all freshman/sophomore level courses in Spanish for Native Speakers. .

Language NotesText: Spanish, EnglishFrom the PublisherCompletely revised and redesigned, the Third Edition of this best seller retains its two central goals: to acquaint students with Spanish in its written form and to expand students' overall knowledge of the language. The new edition has been thoroughly revised and now includes a separate *Cuaderno de ejercicios*.From the Back Cover *Español escrito* is a comprehensive text for native Spanish speakers who aim to improve their writing skills and further develop their knowledge of the language. It serves as a bridge between informal Spanish often learned at home and the formal spoken and written variations required at school, in the workplace, and in other everyday settings. The sixth edition of *Español escrito* offers a variety of engaging topics and intriguing new readings, along with current cultural information on a different Latin American country at the end of each chapter. *Español escrito* continues to employ a flexible, user-friendly structure. The first ten lessons focus on spelling, accentuation, and lexical development while the last ten are centered on grammar topics especially relevant to the native speaker. This flexibility gives instructors the freedom to match the book's lessons to the specific needs of their course. Student resources: Audio CDs to Accompany *Español escrito* offer students more opportunities to practice their language skills. *Cuaderno de actividades* designed to practice writing skills and reinforce the structures presented in the text. Answer Key to Accompany the *Cuaderno de actividades* encourages students to monitor and evaluate their work.
