Great for Quilters and Graphic Artist, But....By Prime-A-HolicI like the 3-in-1 color tool from the same person much better as a watercolor and colored pencil artist. Though both tools seem more designed for quilters, the 3-in-1 color tool seems more beneficial to me as an artist.1 of 1 people found the following review helpful. Very good!By C. R.I am very happy with this purchase-good size, sturdy and most of all helps me at work.

Selecting perfect color combinations has never been easier! Joen Wolfrom has designed a durable, color-accurate, two-sided, multi-purpose 12" x 12" color wheel for use anywhere you go. One side features 24 pure colors with 4 color-plan wheels for each pure color. The other side shows a range of each pure color's tints, shades, and tones. Each color wedge is slotted so you can audition colors easily to ensure a perfect match.

Selecting perfect color combinations has never been easier! By popular demand, color expert Joen Wolfrom has designed the Essential Color Wheel Companion, a durable, color-accurate, double-sided, multi-purpose color wheel

that's perfectly sized for use in your studio, workroom, office, or sewing room. One side of the wheel features 24 pure colors with four essential color-plan wheels for each color. The opposite side shows a range of each pure color's tints, shades, and tones. Pure-color wedges are slotted so you can audition colors (fabrics, paint swatches, etc.) alongside them to ensure a perfect match. (Modern Quilts Unlimited, Summer 2016) If color theory is not your strong suit, the Essential Color Wheel Companion is a must have. This tool will give you all of the confidence you need to select the perfect color combinations. One side of the color wheel features 24 pure colors with 4 essential color-plan wheels for each color. The opposite side features a range of each pure color's tints, shades and tones. (Creative Machine Embroidery, November/December 2016) About the Author Joen Wolfrom has been a quiltmaker since 1974 and is in demand around the world as a teacher and speaker for her expertise in color and textile design. She has authored numerous books and products and owns a pattern company. Joen lives in Fox Island, WA.
