Dr. Miguel Bedolla : Essential Spanish for Healthcare (LL(R) Essential Workplace) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Essential Spanish for Healthcare (LL(R) Essential Workplace):

0 of 0 people found the following review helpful. Basics phrases By Esther If you are good memorizing then this book is for you. It shows how to say the words 0 of 0 people found the following review helpful. Great resource! I had this

years ago and lost ...By Linda C. SchiessGreat resource! I had this years ago and lost part. Glad to find it. I like it better than the newer CD or mp3 versions. Easier pace for when I'm driving.0 of 0 people found the following review helpful. Spanish for HealthcareBy JanI really enjoy this book. It is not a basic spanish book, but it is designed to supplement any education in the spanish language. I appreciate the focus on healthcare! Excellent transaction.

A Quick, Easy-to-Use Program for: Nurses, Doctors, Clinic and Hospital Administrators, EMS Personnel, and Home Healthcare WorkersReady to use on the job, Essential Spanish for Healthcare is a vital tool for anyone working with Spanish-speaking clients in hospitals, clinics, or other healthcare-related areas. With the easy pronunciation guide you'll be able to speak Spanish immediately. Clearly organized by situation, the book covers more than 2,500 essential words and phrases. Phrasebook format makes it easy to find the right words and phrases. Phonetic transcriptions help you pronounce Spanish correctly. Culture notes address sensitive issues. Brief grammar and vocabulary notes help you communicate better. Two-way glossary and grammar summary are great for reference.Essential Spanish for Healthcare includes many common situations, such as reception and sign-in, general examinations, taking medical history, discussing symptoms, delivering the prognosis, and dealing with family and friends. Also Available: Essential Spanish for Healthcare book/cassette package, which includes this manual, along with two cassettes and a quick reference guide.

"A life saver . . . The sensitive yet candid culture notes . . . move the program one step ahead of just medical Spanish."Carol Horky,Director, Continuing Medical Education, Cedars-Sinai Medical Center, Los AngelesLanguage NotesText: English, SpanishFrom the Inside FlapA Quick, Easy-to-Use Program for: Nurses, Doctors, Clinic and Hospital Administrators, EMS Personnel, and Home Healthcare WorkersReady to use on the job, Essential Spanish for Healthcare is a vital tool for anyone working with Spanish-speaking clients in hospitals, clinics, or other healthcare-related areas.
