### **National Geographic Maps - Reference : Europe Executive [Tubed] (National Geographic Reference Map)**

before purchasing it in order to gauge whether or not it would be worth my time, and all praised Europe Executive [Tubed] (National Geographic Reference Map):

0 of 0 people found the following review helpful. Five StarsBy George LindsaySuperb.0 of 0 people found the following review helpful. Nice map, good sizeBy AlecazamLooks very nice on my wall, the main reason I purchased it. The projection is like most projections of Europe, nothing special like the one they have of Asia. Overall very nice, notably a good size for pinning cities you've visited if you like that sort of thing. Some were concerned about the prominence of the logo but it's not really noticeable.0 of 0 people found the following review helpful. It's a really nice map. Although I got one that was messed ...By \_\_\_It's a really nice map. Although I got one that was messed up a bit at the end. I'm assuming from the cap of the lid being stuck on without care. For my purposes (planning a logical geographic trip to Europe) it's not a big deal as I will be sticking pins in it. And a frame would probably cover it if I was doing that.

The Executive political map of Europe is a striking example of the cartographic excellence National Geographic is known for. The antique color palette, shaded relief, and easy-to-read fonts make this map both beautiful and functional. International boundaries are clearly defined and thousands of place names, waterbodies, airports, major highways and roads, national parks and more are included. This map includes complete coverage of the countries and major cities of Albania, Armenia, Austria, Azerbaijan, Belarus, Belgium, Bosnia Herzegovina, Bulgaria, Croatia, Cyprus, Czech Republic, Denmark, Estonia, Finland, France, Georgia, Germany, Greece, Hungary, Iceland, Ireland, Italy, Kosovo, Latvia, Liechtenstein, Lithuania, Luxembourg, Macedonia, Moldova, Montenegro, The Netherlands, Norway, Poland, Portugal, Romania, Russia, Serbia, Slovakia, Slovenia, Spain, Sweden, Switzerland, Turkey, Ukraine, and the United Kingdom. The map is packaged in a two inch diameter clear plastic tube. The tube has a

decorative label showing a thumbnail of the map with dimensions and other pertinent information. Map Scale = 1:8,400,000 Sheet Size = 30.5" x 23.75"

About the Author Founded in 1915 as the Cartographic Group, the first division of National Geographic, National Geographic Maps has been responsible for illustrating the world around us through the art and science of mapmaking. Today, National Geographic Maps continues this mission by creating the world's best wall maps, recreation maps, atlases, and globes which inspire people to care about and explore their world.
