Ronald E. Feare : Everyday Idioms 1: For Reference and Practice (Everyday Idioms for Reference Practice) (bk. 1) before purchasing it in order to gage whether or not it would be worth my time, and all praised Everyday Idioms 1: For Reference and Practice (Everyday Idioms for Reference Practice) (bk. 1):

1 of 1 people found the following review helpful. I like it for my studentBy Cindy PThe ESL department where I used to work used this book with all ESL students. I like it for my student, too.1 of 1 people found the following review helpful. A useful Book!By Chih-ping WangThis is a useful book for the non-American people, like me, to learn how American use these daily phrases. The Phrases showed on this book can be heard every day and have high frequencies.

I really like this book. It helps me understand what my American classmates talk and the speech which my professor addressed in the classroom. 0 of 0 people found the following review helpful. For Adult ESL Learners By J. P. Anderson My wife teaches from this book alongside the Side By Side series. They make a great pair. I doubt this book would go well with children, though.

Everyday Idioms One and Two bring the challenge of learning typical American English expressions within any student's reach. Each book presents over 1,200 idioms within tightly organized semantic categories. No other idiom texts give as comprehensive coverage of essential American idioms or make them as accessible to students.

From the Back Cover Do you feel left out when your friends speak English? Do American English expressions go in one ear and out the other? Do you wish you had a way with words? Here's the answer! Everyday Idioms Book One and Book Two, by Ronald E. Feare, bring the challenge of learning typical American English expressions within any student's reach. Each book presents over 600 idioms within tightly organized semantic categories. No other idiom texts give as comprehensive coverage of essential American idioms or make them as accessible to students. Features: Logical organization in functional and situational contexts makes idioms easy to learn, easy to remember. A variety of multi-skill exercise types develop students' language skills. Regular review units provide students with further practice and reinforcement. An audiocassette offers additional listening practice for Book One.
