0 of 0 people found the following review helpful. Really good bookBy CustomerJust what I needed for my interview this Thursday. Short and to the point, but goes in-depth to uncover all of the ins and outs of the interview process.0 of 0 people found the following review helpful. goodBy jyGood and basic . Nice to go over before an interview since it's

really straight forward. Will go over before each interview.

This book is an ideal reference guide for anyone in need of help preparing for any job interview. This guide will explain what a standard interview format looks like and what to expect before, during and after the interview. Included are 80 possible interview questions in 8 different categories and over 35 questions to ask the employer. This guide is a great resource for anyone looking to enter the work force or change jobs or careers. If you're a recent grad and need help with interviews, this is exactly what you need! If you have been in the same job for years and have forgotten what the interview process is all about, this is what you need! This is not your standard Job Search help book but a straight forward guide to help you through any Job Interview. You do not need to read a 200 page textbook to understand what the employer is looking for. Few subjects covered in this guide are: Purpose of an Interview: - What to do when You are Invited to Interview - How to Prepare for an Interview - What to Bring to an Interview - How to Make a Positive Impression During an Interview - Useful Tips for Answering Interview Questions Standard Format for an Interview Three mistakes people make during an interview What to Do After the Interview Interview Dos Dons: Types of Interview Questions: - Behaviour Based Interviewing - Sample Behaviour Based Questions - Situational interview questions - Other types of interview questions
