Jack Richards : Expanding Tactics for Listening, Third Edition: Student Book before purchasing it in order to gage whether or not it would be worth my time, and all praised Expanding Tactics for Listening, Third Edition: Student Book:

0 of 0 people found the following review helpful. I find the books among the best for this group and they enjoy the booksBy Patrick HoggardI use all three of this series for older adult students. I find the books among the best for this group and they enjoy the books, too. I always have to play the audio numerous times for the students to feel comfortable about it but we're in a voluntary situation (the students and I all) so the time it takes is not a deal breaker. I am very glad I found the series a couple of years ago.0 of 0 people found the following review helpful. Five StarsBy KamenRiderGillsok0 of 0 people found the following review helpful. niceBy ManuelNice

A fresh, new edition of the classroom-proven listening skills favourite. Now with Tactics for Testing.

About the Author Jack C Richards is an applied linguist, writer, and teacher trainer. Dr. Richards is currently affiliated with the South East Asian Ministers of Education Organization (SEAMEO) Regional Language Centre in Singapore where he teaches candidates for the Diploma in TESL and the MA in Applied Linguistics issued by the National University of Singapore.
