**Wendy Enelow, Louise Kursmark : Expert Resumes for Military-To-Civilian Transitions 2nd Ed** before purchasing it in order to gage whether or not it would be worth my time, and all praised Expert Resumes for Military-To-Civilian Transitions 2nd Ed:

1 of 1 people found the following review helpful. Helpful resource By M. Trepanier No one book can work for everyone because every situation is different for those of us who transitioned (or are going to transition) from the military. With that said, this is a decent book to at least help out in the process. I bought several books to assist me on my way after a military career, and I took a bit from all of them to help me through the transition process. This was helpful, but you'll need more than just one reference to work your way from the military to the civilian sector. 0 of 0 people found the following review helpful. Five Stars By Brown Bear Not bad... Helps with the verbiage from Mil to Civ 1 of 1 people found the following review helpful. Worth the investment! By Pascale Haspi I have been working on the Wounded Warriors project and I also have helped some servicemen in a pro bono capacity. This book is well

worth the investment and also includes a comprehensive list of resources and websites that further support these individuals as they transition into the civilian world. For career coach professionals who are not familiar with "military-speak" this book is very helpful with the translation of that into civilian resumes.

*Expert Resumes for Military-to-Civilian Transitions* is a collection of superior professionally written resumes aimed at service members who are leaving the military and looking for a civilian job. This book gives resume strategies as well as 180 pages of sample resumes specifically written for people making the leap back into the private sector.

**About the Author** Wendy S Enelow is the founder and executive director of the Career Management Alliance (formerly Career Masters Institute), a prestigious training and development organization of career professionals worldwide. Laurence Shatkin has over 30 years in the career information field and is the author or coauthor of many best-selling books, including *50 Best Jobs for Your Personality*, *90-Minute College Major Matcher*, *Best Jobs for the 21st Century*, and *New Guide for Occupational Exploration*. Laurence is sought after by the media for his expertise on occupations and career trends, and he speaks frequently at national conferences and gives Webinars.
