: Do you long for deeper understanding of the Bible's original texts---but lack the language training? Reach for Renn's reference! Exploring key biblical words and supplying their transliterations, translations, range of meanings, and usage, this handy resource then explains how themes, concepts, and doctrines shaped by Hebrew terminology are fulfilled in the Greek vocabulary of the NT

About the Author Stephen D. Renn has served as the Head of Biblical Studies, and Academic Dean, at the Sydney Missionary and Bible College, lecturing in Old Testament and Biblical Hebrew (1986-2001). He was Principal of the Sutherland Shire Christian School from 2001-2003 and is currently Co-ordinator of Language teaching at Inaburra School in Sydney, New South Wales, with additional responsibilities for the teaching of History and Bible.
