**Alecia T Devantier, Carol A Turkington : Extraordinary Jobs in the Service Sector** before purchasing it in order to gage whether or not it would be worth my time, and all praised Extraordinary Jobs in the Service Sector:

Ever wonder who wrangles the animals during a movie shoot? What it takes to be a brewmaster? How that play-by-play announcer got his job? What it is like to be a secret shopper? The new

About the Author Alecia T. Devantier is a former educator with a master's degree in teaching. She worked on a national curriculum development program and served as a contributing writer for HomeWords magazine and website. She lives in Mt. Pleasant, Michigan. CAROL TURKINGTON is a health and psychology writer. Among her more than

twenty-five books are *12 Steps to a Better Memory*, *The Encyclopedia of Memory and Memory Disorders*, and *The Brain Encyclopedia*. A former newspaper writer and editor, she spent three years as a medical writer/editor at Duke University Medical Center and five years as senior writer in clinical psychology for the American Psychological Association in Washington, D.C.
