The image shows the front cover of the book 'EZ Solutions Test Prep Series Math Section Data Sufficiency GMAT'. The cover is primarily blue with white text. At the top, the title is displayed in large, bold, white letters on a blue background. Below the title, there is a section titled 'EZ SIMPLIFIED SOLUTIONS – THE BREAKTHROUGH IN TEST PREP!' with a subtitle 'Leaders in Test Prep Solutions – We make it easy for you!' and the author's name 'By: Punit Raja SuryaChandra'. The cover also features a 'KEY ADVANTAGES' section with two columns of bullet points. The left column lists advantages for the 'New Edition' and the right column lists advantages for the 'Revised Version'. At the bottom, there is a section titled 'REVIEW – PREPARE – REINFORCE – PRACTICE – SUCCEED' with a list of bullet points. A small disclaimer at the very bottom states: '©2015 by Punit Raja SuryaChandra. All rights reserved. This book is published by Punit Raja SuryaChandra. No part of this book may be reproduced without the prior written permission of the author.' Below the cover, there are two buttons: 'DOWNLOAD' with a green download icon and 'READ ONLINE' with a plus sign icon.

Punit Raja SuryaChandra, EZ Solutions : EZ Solutions - Test Prep Series - Math Section - Data Sufficiency - GMAT (Edition: New. Version: Revised. 2015) before purchasing it in order to gauge whether or not it would be worth my time, and all praised EZ Solutions - Test Prep Series - Math Section - Data Sufficiency - GMAT (Edition: New. Version: Revised. 2015):

0 of 0 people found the following review helpful. Great book! By Jonathan Wright The Math Section Data Sufficiency is an excellent book 4 of 5 people found the following review helpful. Don't Buy - NOT Worth it - Please read before buying By kalakaar I bought this book hoping that it would help me practice Data sufficiency. I am hugely disappointed in this book - that is to say the least. Here is why - 1 - The quality of questions are way way low - basically it is designed

for those targeting below 500 score²- Many questions have errors in it.³- Total lack of creativity on the part of the writer. I can not imagine why someone will write a book like this and hope it would sell. But unfortunately there are buyers like me who fall into the trap of "more practice material" and spend the money on horrible books like these. If you took the time and read up to this stage- take my advice and DONT buy this book. You will thank me² of 3 people found the following review helpful. Essential By Brian Hunter I am thankful for these books. They are far more in-depth than any of the other sources I have used. The Math Section Data Sufficiency is an excellent book. Its practical, organized well and my mind is just clicking with the information in a way that it didn't using other sources. I did not spend money on expensive courses; I invested in the EZ Solutions Series and its made all the difference in the world. I recommend this series you are aiming for success through a high score.

EZ - Simplified Solutions The Breakthrough In Test Prep! Leaders in Test Prep Solutions We make it EZ for you!
