Janet Groene : Fantastic Discounts Deals For Anyone Over 50! before purchasing it in order to gage whether or not it would be worth my time, and all praised Fantastic Discounts Deals For Anyone Over 50!:

4 of 5 people found the following review helpful. Best tip is "don't waste your money"By Edward MonieBased on other reviews this seemed like the best of the books for seniors. I am totally disappointed. Much of the information is out of date or useless. It's for the pre-internet crowd who live in a shell or under a rock. Go to any Senior Center and

the people there could tell you everything useful in the book in 5 minutes. Please do not waste your money. You could have mine for free, but I would feel too guilty about charging for the postage. The best tip is that whenever you go to any restaurant, especially fast food, or any store always ask if they offer a senior discount. 0 of 0 people found the following review helpful.
