Harith Faruqi : Faruqi's English-Arabic Law Dictionary (Arabic Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Faruqi's English-Arabic Law Dictionary (Arabic Edition):

1 of 1 people found the following review helpful. Just what I was looking for as an interpreter By Dina Kayed It was easy to order online and came really fast in the mail. The dictionary is just what I needed for my work. It is easy to use and I would personally say it has most legal terms used. It's a great buy very pleased with it.
