A Must Have For Any Job SeekerBy Leah LakstinsThis book skips the fluff and gets straight to the point of providing meaningful direction for a successful job search. Joanie's job search skills are easily seen as readers get real world advice often missing from similar books. I recommend this book for any executive seeking to change companies or careers.

An executive-level job search is unique. As a professional, you are used to delivering results, and seeing results delivered to you in return. You have little patience with methods that are lengthy or ambiguous or that rarely hit their mark. Therefore, in today's competitive marketplace and challenging economic climate, your job search is particularly challenging, and finding the right professional position for you can become complex and frustrating. 'The Fast Track Guide to a Professional Job Search' was written to take the guesswork out of finding the right executive-level position for you. Serving as your handy guide and indispensable companion, it contains everything you need to drive your job search and career forward. It takes you all the way from setting your career path, through the planning and strategizing, the execution, the emotional rollercoaster, and all the way to offer evaluation and acceptance. Written by Joanie Natalizio, a professional executive coach who steers a successful business coaching practice, 'The Fast Track Guide to a Professional Job Search' teaches you to distinguish yourself, present your unique strengths and capabilities, and make sure an offer is a good fit for you before you accept it. All through the book, the easy to use checklists make sure you stay on track. How to create a professional biography and tips on evaluating compensation packages are just a few of the many executive job search topics discussed. Joanie reveals little known tips traditionally restricted to executive career coaching sessions, so that you have an extra edge in your job search. With 'The Fast Track Guide to a Professional Job Search' at hand, you can proceed in your executive job search with clarity, competence and complete confidence.
