**Marky Stein : Fearless Interviewing: What to Do Before, During and After an Interview** before purchasing it in order to gage whether or not it would be worth my time, and all praised Fearless Interviewing: What to Do Before, During and After an Interview:

4 of 7 people found the following review helpful. Never say Never Again1By A CustomerInterviewing for a new job has got to be one of the most nerve racking experiences that we all have to face at one time or another. But, there is

help! Reading Fearless Interviewing should be the first thing that you do when you think about looking for employment. This book should be presented to high school children all over the nation. This book gives you ALL of the tools that you need to enter an interview with all the confidence of an old pro. If you follow each step presented, you are all but guaranteed to walk out of the interview with a new position and high salary. This book can make all of your employment dreams come true. I know it did for me. Thank you Markey for your very important advice!0 of 0 people found the following review helpful. An absolute must-have for anyone on the job market!By A CustomerThis powerful little book is the essential guide to interviewing. Marky Stein covers everything you will need to know in order to succeed. Simple, straightfoward, and thorough advice from a top expert in the field of career coaching. This practical step-by-step approach can help anyone prepare and build self-confidence before going out on the job market. Her wise counsel and warm encouragement were just the support I needed. A true goldmine!0 of 2 people found the following review helpful. An absolute must-have for anyone on the job market!By A CustomerThis powerful little book is the essential guide to interviewing. Marky Stein covers everything you will need to know in order to succeed. Simple, straightfoward, and thorough advice from a top expert in the field of career coaching. A true goldmine!

Simply and expertly covers ALL the bases from "hello" to the moment you sign for a salary higher than you ever dreamed possible. A MUST! Fearless Interviewing is a complete, up-to-date, clear and easy-to-read guide to successful interviewing. Marky Stein systematically guides the reader through every step necessary to leap ahead of the competition and win the job. After reading this book, you'll have the power to communicate the confidence, knowledge, and competence that will win over even the most jaded interviewer. Fearless Interviewing provides an abundance of detailed, realistic and easy-to-follow examples. Its eighty-one pages include how to make a terrific first impression, how to express yourself both verbally and non-verbally, how to negotiate your salary and even how to deal with multiple offers. It is a delightful book and wonderful to read. Fearless Interviewing is truly a must for every jobseeker's library. Each chapter, in itself, is worth the price of the book. Marky Stein's Fearless Interviewing may be the only book you'll ever need on interviewing!
