**Thomas H. Ackerman : Federal Law Enforcement Careers: Profiles of 250 High-Powered Positions and Tactics for Getting Hired** before purchasing it in order to gage whether or not it would be worth my time, and all praised Federal Law Enforcement Careers: Profiles of 250 High-Powered Positions and Tactics for Getting Hired:

0 of 0 people found the following review helpful. Federal Law Enforcement CareersBy inspector5385If your looking for a concise book that lets the reader have access to all of the knowledge of how to apply for federal law enforcement jobs. This book give great descriptions of what each federal law enforcement job does and how to apply to that agency. I would recommend this book for anyone looking for a career in federal law enforcement. There are so many federal law enforcement jobs out there that people have never even heard of; unless your under investigation-get the

book!6 of 6 people found the following review helpful. PerfectBy S. GreenThis book is perfect. I am a student at FSU studying Criminology so that I can enter a Federal Law Enforcement Career, and this book opened my eyes to all of the things available to me so that I can make that happen.If you want a book that talks about federal law enforcement careers... THIS IS THE ONE!1 of 2 people found the following review helpful. Great overview approachBy Spencer R.This book goes into a variety of possible careers working for government law enforcement agencies. It has a great overall approach, along with job overviews, necessary qualifications, etc. It also covers interview and resume skills for federal jobs, something I haven't found much in other books. If you want a broad overview of a lot of career options, this book is for you. If you are looking for detailed information about a specific job field, you might want to try reading something else.

The most up-to-date and comprehensive source for federal law enforcement jobs. Detailed profiles of 250 careers with over 130 agencies.

A fantastic source book for anyone who is seeking valid information on federal law enforcement positions. -- Journal of the American Society of Law Enforcement Trainers (ASLET)A very valuable resource. I highly recommend it to all schools of criminal justice and programs developing future agents. -- John H. Campbell, Ph.D.; Academic Dean, FBI Academy (ret.); Professor, St. Cloud State UniversityEverything you must have to be a top-notch applicant. I highly recommend this well-organized and valuable resource. -- Johnny May, CPP, author, Johnny May's Guide to Preventing Identity TheftExplains virtually everything a person needs to know to master the complicated process of obtaining a federal law enforcement position. -- The Eighteen Eleven: Journal of the Federal Law Enforcement Officers Association (FLEOA)Highly recommended! -- Journal of Security AdministrationReveals the key to standing out from the crowd and getting hired. Makes the process less intimidating. -- Security Management: Journal of the American Society for Industrial Security (ASIS)This book is a wealth of information. -- Police Collectors News
