completely different than what is shown in high school for civilian resumes.0 of 0 people found the following review helpful. Focused more on technical jobsBy ladyblue\_bisonI was looking at this for writing a resume for a public affairs job and in my humble opinion, this focused on technical and operations type govt jobs. It was somewhat helpful but not as much as I wanted or needed.2 of 3 people found the following review helpful. This will help you get a FED GOV job!By Crystal D. KaulbarsThe author is a genius and I used to specialize in writing federal resumes from GS-5 to GS-15 and even SES (see the book for acronyms / levels). I believe she makes a new edition each year to keep up with any changes. It's and excellent guidebook for creating a winning federal resume.

Shows where to find federal jobs and how to navigate the different application processes for the many federal agencies. Expert step-by-step guidance and resume samples for applying for jobs with the federal government.
