Essential for Fiesta Collectors By PJJpurple This is the bible for Fiesta collectors and is a must to own whether you collect vintage or Post 86 Fiesta. Great Book! 0 of 0 people found the following review helpful. Great book By Harold L Durham This book covers a lot of beautiful dishware. I would recommend this book for all collectors of early kitchen ware. 0 of 0 people found the following review helpful. Detailed! By Customer DETAILED. I use this as my detailed reference whenever I find pieces at estate sales or garage

sales. When it comes to pictures, it's okay; but it has detail and history that most reference books don't.

Three of the most collectible lines of vintage dinnerware are thoroughly explored in this major work written by expert collectors. Colorful Fiesta, Harlequin, and Kitchen Kraft sets made since 1936 by The Homer Laughlin China Company are shown in 592 color photographs and detailed measured drawings along with extensive analysis of the shapes, marks, production methods, and decorations. Their enormous popularity, originally and now, has made these dinnerware lines familiar to four generations of Americans, and this reference will link them with collectors, dealers, and users long into the future.
