**Gail Ann Schlachter, R. David Weber : Financial Aid for the Disabled and Their Families: A List of Scholarships, Fellowships/Grants, Grants-In-Aid, and Awards Established Primarily or Excl (Financial Aid for the Disabled Their Families)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Financial Aid for the Disabled and Their Families: A List of Scholarships, Fellowships/Grants, Grants-In-Aid, and Awards Established Primarily or Excl (Financial Aid for the Disabled Their Families):

0 of 0 people found the following review helpful. Lots of info for 18 year olds!By Lindsey R.I decided to save some money and purchase the older edition. The newer one is about triple the cost. I looked at other sites as well for a deal, but prices seemed consistent. As some of the other reviewers wrote, majority of these grants are for disabled college bound students. If your child is of that age, then this is a great book. Lots of great ideas for them. Not much for under 18. And also grants kids with blood issues...who knew?1 of 1 people found the following review helpful. A great reference book- Great for high school Juniors, Seniors, college students and graduate studentsBy Hot Cold WarmI am so glad that these types of references are available for folks who have disabilities. I purchased this through the used books options and saved a lot while saving the environment by recycling!About the book: There are a lot of programs, awards, and fellowships in this book, some are very specific (certain muscular disorders or disabilities) while others are open to anyone who is disabled.I have family relatives who will apply and hopefully benefit from some of the scholarships in this book.

Book by Schlachter, Gail Ann, Weber, R. David
