DK Publishing : Financial Times World Desk Reference 2005 before purchasing it in order to gage whether or not it would be worth my time, and all praised Financial Times World Desk Reference 2005:

0 of 0 people found the following review helpful. descriptive info for countries is interestingBy SoCal_reader Since this is the 2005 version of this book, a lot of the numeric data is out of date but much of the info is still valuable. Maps of the various countries and size information are very interesting. So are a lot of the demographic information interesting. For \$0.25 it was a steal. 0 of 0 people found the following review helpful. Five Stars By WOODY152 READ THIS AT THE LIBRARY AND WANTED ONE FOR REFERENCE.
