I could have spend hundreds of dollars having someone write my resume, but Walt's book helped me do the same quality work. It is easy to follow and understand and can help ANYONE in their job search.THIS BOOK WORKS!!! I re-wrote my resume and the first company I sent it to called me for an interview! Plus, I was ready for the interview because the questions Walt lists in the back of the book helped me prepare and nail the job!!!THANKS FOR YOUR HELP, WALT--EVERYONE SHOULD BE SO KNOWLEDGEABLE!!!0 of 0 people found the following review helpful. Great job!By A CustomerThis book has helped me obtain my last two jobs! I applied for an internship about a year ago and received the job. I recently graduated from college and sent out applications for full-time employment. I sent out eight resumes and applications, and was called back on 7 of them. Ultimately, I was able

to obtain the job I wanted with the company I wanted. I believe in this book and it will help you out a lot! Highly recommended. Buy your copy now because I won't give mine out to anybody! It's that good! 0 of 0 people found the following review helpful. Finding A Job Just Got A Lot Easier by Walt Schuette By Carole L Butcher This book really lives up to it's name! Walt's quick and easy 4 step job search couldn't be simpler. His "country-boy common sense" guidance gives me a feeling of comfort in changing careers, and an understanding that age is an issue only if I let it be. In his book Walt tells the story of a retiree having to return to the workplace. He helped that 83-year old get a job, and I'm confident his advice can help me too! This book's a keeper.

Everything you need to conduct a quick and easy job search. Information to help you: (1) focus on jobs most appropriate to your skills and background, (2) compose accomplishment based resumes and related documents, (3) conduct a common sense approach to targeting those great jobs, and (4) ace the interview and negotiate the highest salary possible. Book includes valuable CD-ROM for PC Users (Windows). CD-ROM contains sample resumes and related documents, pre-interview checklist, networking contact sheets, 5 main topics all resumes must have, plus strengths, skills, and keywords lists.

The book is packed full of strategies, tactics, and ideas that make sense and work! Sure makes job finding easier. -- Jay Block, Internationally Certified Career Coach and Best Selling Author, December 1, 2001 About the Author Walt Schuette, CPRW, CEIP, JCTC, Founder and President of The Village WordSmith, a Southern California based resume writing company established in 1988 has helped thousands of professionals throughout the United States to conduct a quick and easy job search.
