Lance Lang : Finding Hope: A Field Guide for Families Affected by Addiction before purchasing it in order to gage whether or not it would be worth my time, and all praised Finding Hope: A Field Guide for Families Affected by Addiction:

2 of 2 people found the following review helpful. Never Give Up Hope!By Paula RLance Lang has written a very comprehensive book for families struggling with loved ones with addiction issues. He has compiled his resources, including his pastor father and mother, addiction counselors, and recovering addicts, to shed a little light on this dark

problem. I recommend it for anyone who needs hope dealing with the beast of addictions. 0 of 0 people found the following review helpful. Very well written. Inspiring words based on biblical truths ...By Beverly Huston Very well written. Inspiring words based on biblical truths. Views from the addict as well as their families.

Worry. Fear. Pain. You think something might be wrong with your loved one your son or daughter, your husband or wife, your mom or dad but you can't be sure. Can it just be a phase they're going through, or can it be something worse? Can it even be addiction? Finding Hope was written with you in mind. Starting from diagnosing whether your loved one has a problem with addiction and taking you all the way through treatment and beyond, Lance Lang has created this field manual to help both you and your loved one get the help you both need. Packed with useful information, practical steps you can take, and encouraging interviews, Finding Hope is your foundational resource for navigating the traumatic upheaval of addiction.
