**Larry Burkett, Lee F. Ellis : Finding the Career that Fits You: The Companion Workbook to Your Career in Changing Times** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Finding the Career that Fits You: The Companion Workbook to Your Career in Changing Times:

1 of 1 people found the following review helpful. Reading This Right Now By Leann M. Nelson Lee Ellis wrote this book with Larry Burkett. Excellent and thorough book based on Scriptural principles. They really spell it out step by step and as you read you just know it's right. You also discover early in the book, which was written in 1993, that these men clearly and concisely saw into the future, as what they predicted is now here. They also produce many real life examples of what does and does not work. You won't be afraid to change and face the future with the help of these men. 6 of 6 people found the following review helpful. Don't buy on kindle By hc The surveys are hard to fill out on

kindle. The paperback version would be much more helpful. The actual content seems very helpful. 0 of 0 people found the following review helpful. If you are serious about your career don't sidestep this step! By Alex DiMuro This is total package and should be a required course for all high school students seeking career guidance and direction!

Job security is a thing of the past. In a time when companies are laying off thousands of people and 60 to 80 percent of employees are not satisfied with their jobs, many people are wondering if there is such a thing as job security and whether they can actually enjoy their work. After all, if you spend most of your waking hours doing something, you at least should like it. According to Lee Ellis and Larry Burkett, you can find the career that fits you. You can enjoy your work. It's just a matter of assessing who you are, knowing your strengths and interests, and discovering the kind of work that will utilize those talents. In this new edition of *Finding the Career That Fits You*, you will discover the person God made you to be through insightful looks at your personality, skills, life values, and vocational interests. All statistics and resources have been updated and the latest information on using the Internet in your job search has been added. Ellis and Burkett will walk you through the job-search process and give you the confidence you need to start or change your career and your life!
