National Geographic Maps - Adventure : Finland and Northern Scandinavia (National Geographic Adventure Map) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Finland and Northern Scandinavia (National Geographic Adventure Map):

0 of 0 people found the following review helpful. Five Stars By spwp As expected 0 of 0 people found the following review helpful. Five Stars By Fastpayor Good base maps to plan the base route for motorcycle holidays 0 of 1 people found the following review helpful. I was disappointed in this By Virginia Reader I was disappointed in this. It's not the wonderful cartography of NG's maps and its atlases. And the demarcation between areas covered and areas not on the map is idiosyncratic. It's not very useful for Norwegian coastal voyages.

Waterproof Tear-Resistant Travel Map National Geographic's Finland and Northern Scandinavia Adventure Map is designed to meet the unique needs of adventure travelers with its detailed and accurate information. Cities and towns are easy to find in the user-friendly index. Motorways, expressways, and other roads are clearly designated and include distance in kilometers so travelers can easily plan their best route. Specialty content such as hundreds of diverse and unique recreational, ecological, cultural, and historical destinations make Adventure Maps the perfect companion to a guidebook. National parks, castles, churches, campsites, winter sports resorts, archeological sites, museums, and scenic viewpoints are among the sites noted to help you take advantage of the regions many natural attractions and activities. The southern half of the region is shown on the front side of the map spanning from Finland's southern tip to the city of Rovaniemi in the north. Sweden's eastern coast is included from the city of Umea north to Jokkmokk. The reverse side of the map covers the northern half of the region from Norway's island of Vega north to the far reaches of its Norwegian and Barents Sea coasts. Northern Sweden is shown from Hemavan to the country's northern borders with Norway and Finland. The northern portion of Finland is included from Salla to the border with Norway. Every Adventure Map is printed on durable synthetic paper, making them waterproof, tear-resistant and tough capable of withstanding the rigors of international travel. Map Scale = 1:975,000 Sheet Size = 25.5" x 37.75" Folded Size = 4.25" x 9.25"

About the Author Founded in 1915 as the Cartographic Group, the first division of National Geographic, National Geographic Maps has been responsible for illustrating the world around us through the art and science of mapmaking. Today, National Geographic Maps continues this mission by creating the world's best wall maps, recreation maps, atlases, and globes which inspire people to care about and explore their world.
