before purchasing it in order to gauge whether or not it would be worth my time, and all praised Fire Stick: The Complete Amazon Fire Stick User Guide To Movies, TV, Apps, Games Little-Known Tips And Tricks! (Streaming Devices, Amazon Fire TV Stick User Guide, How To Use Fire Stick):

9 of 9 people found the following review helpful. Shame on you!By JASThis book ?is basically a six page translated pamphlet with some instructions that should come with the fire stick to begin with (no instructions come with fire stick) I am disappointed with for letting this happen.5 of 5 people found the following review helpful. Don't waste your moneyBy CustomerDon't waste your money. The 'book' is 23 pages long plus intro and conclusions, and the pages aren't even numbered. A quote from the 'book': Sideload apps:- "However a simple Google search should unveil numerous methods..." That should be your clue.5 of 5 people found the following review helpful. UselessBy Howard J. DameronThis book is absolutely useless and is a complete waste of time and trouble. Will not make his mistake again.

Fire Stick The Complete Amazon Fire Stick User Guide To Movies, TV, Apps, Games Little-Known Tips And Tricks!  
The Amazon Fire stick is a small device, produced by Amazon, which plugs into your TV and allows you to stream and access content from the internet. From games to video and from apps to music, the Amazon Fire stick will revolutionize the way you use your T.V. As the Amazon Firestick is relatively new device, information about how to use the Fire stick and how to get the most from it is lacking. As a result many people who have bought the Firestick or are prospective buyers underestimate the vast potential of the Amazon Firestick. This guide aims to rectify this problem by teaching you how to use the Firestick, from its basic features and hardware to its various settings, killer and must-download apps and finally the best tips and tricks to get more out of your device.
