Lisa J. Amstutz : Fish (My First Animal Kingdom Encyclopedias) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Fish (My First Animal Kingdom Encyclopedias):

Shine the science spotlight on flounders, sharks, eels, and an ocean full of other fish! Organized by reference topics such as habitat, anatomy, and life cycle, Fish introduces young readers and browsers to these aquatic animals through vibrant full-color photos and concise, factual text.

About the Author Lisa Amstutz is the author of seven science books for children, one adult nonfiction title and many magazine and newspaper articles. Her educational background includes a B.A. in Biology and an M.S. in Environmental Science/Ecology. Lisa taught outdoor education for several years and still enjoys sharing her love of nature with children. Lisa lives on a six-acre hobby farm in rural Ohio with her husband and four children.
