AhrensAn indispensable tool for planning our trip to the Florida Keys, particularly used in conjunction with a good guide book. The detail that this map has is perfect for finding your way around in the Keys.

This is one our quietly-selling steady titles that one tends not to notice until it suddenly runs out of copies. This fourth edition has a new cover photo, and a new locality map on the back cover that REALLY emphasizes just how close Havana and Key West are to each other! The map itself is little-changed from the previous edition; we have visited the area twice in the past couple of years and feel that the information is both accurate and comprehensive. The map also includes an inset of Key West showing every single street in the town
