**Linda Lane : Focus on Pronunciation 3 (3rd Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Focus on Pronunciation 3 (3rd Edition):

0 of 0 people found the following review helpful. Excellent learning aid. By Kindle Customer Update of book I've been using for years as an ESL tutor. It works well 0 of 0 people found the following review helpful. Plain explanation and lots of practice By Yuanxu Li So far so good. I kinda expected it to be a heavy book with lots of theoretical and academic explanation of pronunciation, but it turns out to be much more approachable. Although I personally prefer all the theory stuff, this book still does an excellent job in explaining all the concepts plainly and clearly. 2 of 2 people found the following review helpful. less valuable without the classroom CD By LB-pdx I like the parts of this that I can use, but a bunch of it is useless without the Classroom CD (which doesn't come with it).

The new edition of Focus on Pronunciation gives beginning to high-beginning students the tools, tips, and techniques they need to speak clearly, accurately, and fluently. All aspects of pronunciation are included consonants, vowels, stress, rhythm, and intonation. The variety of activities and flexible, accessible style make learning fun. Features: Presentation sections feature clear explanations and diagrams.
