HW (Hollywood) : FOE (Freedom of Expression): Text Message Acronym Dictionary before purchasing it in order to gage whether or not it would be worth my time, and all praised FOE (Freedom of Expression): Text Message Acronym Dictionary:

The words in your vocabulary represent the building blocks of your thought, and they are essential to your ability to

understand and communicate. Today, modern technologies influence has catapulted mankind's ability to communicate into new frontiers. An engaging discussion about expression is all set to begin in FOETM (Freedom of Expression): Text Message Acronym Dictionary, a new book released through Xlibris, written by Holly J. Telford aka (HW) Hollywood. FOETM (Freedom of Expression) is a smart guide written to help you learn what others are saying to you, as well as be acquainted with new ways to say what you want to express in a shortened, cryptic message. This book will bring a new life into your technology-oriented communication skills with its hand, easy-to-understand resource that include selections like WYP (what's your problem), LOL (laughing out loud), OMGTM (oh my god) and more. By completing the book, readers will become fully prepared to communicate effectively and understandably through technology.

About the Author Holly J. Telford aka HW (Hollywood) is a mother of three beautiful young girls (three, ten, thirteen years). The need to complete her thesis and the humor she found in creating this book with her daughters when trying to balance work and life inspired her love to write. She is a hard working single mom with a demanding career in sales management. She has a love for children, dogs, and life. Hobbies include directing the school musical, writing, acting, playing piano, listening to music, enjoying the company of her family and friends, laughing, coaching soccer, traveling, and exploring all of the great things in life that were meant to be enjoyed with the people she loves.
