Jeffrey Kacirk : Forgotten English 2017 Boxed/Daily Calendar before purchasing it in order to gage whether or not it would be worth my time, and all praised Forgotten English 2017 Boxed/Daily Calendar:

0 of 0 people found the following review helpful. Awesome calendarBy mandycandy7118I first bought one of these for myself and then bought one for my fellow word-nerd Aunt and we both love it! Some of the words are really strange, but I love reading about them. I think my favorite part, though, is the historical information on each page. I've very much enjoyed learning about some of the things on those pages and I'm really impressed with the quality of writing.0 of 0 people found the following review helpful. Fun and informativeBy T.S. SmithThis is a great calendar! I bought it as a gift for someone who's been sending photos of the pages each day. We're having fun reading and chatting about the unusual, archaic words and odd historical events. I hope to see a 2018 edition!0 of 0 people found the following review helpful. Fun as well as educationalBy Patricia N.This was a Christmas present for an English major who plays Scrabble endlessly. She's really enjoyed it so far. Good for someone looking to up their vocabulary.

This rollicking guide to archaic words and their meanings will fascinate all year long. Each page offers an outdated word, a vintage illustration, and a literary excerpt demonstrating usage. The stories behind the words offer a slice of social history and culture of times past. A delight for word lovers!
