Kevin Wilson : Fundamentals of Windows 10 (Computer Fundamentals) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Fundamentals of Windows 10 (Computer Fundamentals):

0 of 0 people found the following review helpful. Three Stars By Roderick B. It's OK. 0 of 1 people found the following review helpful. Really 0 out of 5 By steven l No useful info here. Is this a preview guide from before windows 10 release? Would not recommend this, wait until these authors get windows 10 sorted out into a useable guide to this OS. 0 of 1 people found the following review helpful. Three Stars By duchessit's ok

Teach yourself how to navigate and use the most unified version of Windows in Microsoft's history, whether it's on

your phone, tablet or desktop computer. Revised and updated according to Microsoft's updates. In this guide you'll explore...
